Welcome to Maxpro Window Films, the industry’s most CLEARLY SUPERIOR window film on the market. Combined, Maxpro has over 30 years experience in the window film industry. The engineers at Maxpro Manufacturing, LLC have developed products that are easier to handle, heat shrink extremely well, and have superior clarity. Our manufacturing facility in North Carolina houses the newest and most advanced machine in the United States and all Maxpro window films are 100% American made.

Along with providing you the most advanced window film in the industry we wanted to offer you a one-stop shopping experience for all of your window film installation needs. This tool catalog offers the most comprehensive collection of tools for you to choose from. We are constantly adding new tools to grow our selection for you. If you do not see a tool you are looking for, please ask a sales specialist and I am certain we can locate the desired tool.

We thank you for taking time to browse our tool catalog and review our window film selections. Give us a call today and see why everyone is making the switch to Maxpro Window Films. As with our window films, everything Maxpro Manufacturing, LLC does is directed at you, the window film installer. Our window films and tools are competitively priced and our customer service is by far the best you will find in the industry. Please give us a call today or check us out on the internet at www.maxprofilms.com, or like us on Facebook.

We look forward to hearing from you soon and working with you in the near future.

Joseph R. Cobbe, President

31 Industrial Boulevard South, Whiteville, NC 28472
