

# **AUTOMOTIVE WINDOW FILM TRAINING PROGRAM**

WITH JODY KNIGHT

A WINDOW FILM TRAINING PROGRAM THAT TAKES PLACE IN YOUR FACILITY  
AND IS CUSTOMIZED TO THE NEEDS OF YOUR TEAM

## **OPPORTUNITIES FOR GROWTH**

- Evaluate your business needs to determine your personalized training program.
- 3 full days of one-on-one training with tips to expedite your current process to increase the amount of cars you tint a day, reduce waste, and train new staff members.
- Comprehensive knowledge on how to hand cut and/or install plotter cut patterns. Learn film knowledge to better explain and sell to your customer base.
- The training program takes place in YOUR facility and is customized to the needs of you and your team. You won't have to shut down your business and you won't even have to leave your business to go to this training!

## **GET THE COMPLETE PACKAGE**

- 3 rolls of Maxpro Window Film 40" x 100' to work with during the training
- Maxpro product marketing materials for use in your shop
- A complete Maxpro Starter Tool Kit - over 30 tools to get you started
- At the completion of training, receive Maxpro Window Film Basic Automotive Installation Certification

## **ABOUT OUR TRAINING EXPERT**

Jody joined the Maxpro team with over 16 years of window film and paint protection installation experience combined with 9 years of window film sales. Jody also has been a judge for the WFCT Tint Off Competitions for almost 10 consecutive years and is a plotter and plotter software expert.

HANDS-ON TRAINING FROM THE BEST. CONTACT US TO SET UP YOUR CUSTOMIZED PROGRAM.
