

AUTOMOTIVE WINDOW FILM TRAINING PROGRAM

A WINDOW FILM TRAINING PROGRAM THAT TAKES PLACE IN YOUR FACILITY
AND IS CUSTOMIZED TO THE NEEDS OF YOUR TEAM

OPPORTUNITIES FOR GROWTH

- Evaluate your business needs to determine your personalized training program.
- 3 full days of one-on-one training with tips to expedite your current process to increase the amount of cars you tint a day, reduce waste, and train new staff members.
- Comprehensive knowledge on how to hand cut and/or install plotter cut patterns. Learn film knowledge to better explain and sell to your customer base.
- The training program takes place in YOUR facility and is customized to the needs of you and your team. You won't have to shut down your business and you won't even have to leave your business to go to this training!

GET THE COMPLETE PACKAGE

- 3 rolls of Maxpro Window Film 40" x 100' plus a 60" X 100' roll of practice film to work with during the training
- A comprehensive Maxpro tool kit - over 30 tools to get you started. Also included will be 4 Maxpro t-shirts and hats and a complete automotive information package full of swatchbooks, flyers, and rack cards
- At the completion of training, receive Maxpro Window Film Basic Automotive Installation Certification

HANDS-ON TRAINING FROM THE BEST. CONTACT US TO SET UP YOUR CUSTOMIZED PROGRAM.
